1. Not all preventive services are covered, including athletic mouth guards. Refer to the policy for a complete list of covered and non-covered preventive services. Frequency limitations apply. State of Maryland allows only one cleaning per calendar year.

2. If you choose to visit a dentist out-of-network, you will pay the out-of-network benefit and the difference between the amount that Cigna reimburses for such services and the amount charged by the dentist, except for emergency services as defined in the policy. This is known as balance billing. Refer to the policy for more details.

3. Waiting periods may vary by state. Refer to the policy for more details. You may be eligible to waive the waiting period for Classes II and III if you had 12 continuous months of prior dental coverage that included coverage for Class III, Major Restorative Services, and not more than 63 days has lapsed between the prior coverage and this plan. Any prior dental insurance plan that did not include Class III services will not count toward waiting period waiver. Waiting periods are waived for Class II and Class III in Maine if under the age of 19. Orthodontia waiting period is not eligible for waiver.

4. Wellness programs are separate from medical benefits. A discount program is NOT insurance, and you must pay the entire discounted charge. Some programs are not available in all states, and programs may be discontinued at any time. Participating providers are solely responsible for their goods and services.

5. Cigna data as of April 2023. Subject to change.

6. Brighter features may vary by dentist. These and other dentist directory features are for educational purposes only and should not be the sole basis for decision-making. They are not a guarantee of the quality of care that will be provided to individual patients, and you should consider all relevant factors when selecting a dentist.

7. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com.

8. Download and use of the myCigna mobile app is subject to app terms and conditions and the online store from which it is downloaded. Standard mobile phone carrier and data usage charges apply.
